Application Review

All applications will be reviewed based on relevancy to the wine and grape industry and must be approved before your company can be added to the waiting list. If your application does not provide sufficient documentation that your company **primarily** provides services and/or products specific to the wine and grape industry you will be contacted.

Booth Selection & Fees

When a standard 10' x 10' exhibit space becomes available, the UW&GS is hereby authorized to assign to Exhibitor any available booth location represented on the Official Exhibits Floor Plan. If you require the use of compressed air and/or plumbing, UW&GS cannot guarantee the booth offered will have access.

Please note that booths will continue to be sold if we do not receive a response within your allocated deadline.

Upon acceptance of the booth assignment, Exhibitor must complete an Application/Agreement for Exhibit Space and submit the required insurance certificate and additional insured endorsement. We encourage you to visit our website, www.unifiedsymposium.org, to review these forms and requirements.

Invoices for booth fees will be sent when space has been assigned. Please refer to our website for current booth fee rates.

UW&GS will send renewal applications each year until an exhibit space becomes available.

Acceptance of Terms and Signature

The undersigned, Exhibitor, hereby applies to the Unified Wine & Grape Symposium, LLC, (UW&GS) to be added to the waiting list for the Unified Wine & Grape Symposium at the Sacramento Convention Center, Sacramento, CA. We will only approve applications for companies who can demonstrate that they **primarily** sell products/services specific to the wine and grape industry.

The undersigned is legally authorized to represent Exhibitor in accepting these terms and conditions.
